WEST PAVILION

The West Pavilion is one of the pillars of the event industry at the Indiana State Fairgrounds. The 147,040 sq. ft. multi-purpose exhibit space is our largest event venue and serves as the focal point for some of the most prestigious consumer and trade shows in Indianapolis. The West Pavilion is ideal for agriculture, consumer, exhibit, sport, and trade shows, but can also host large banquet events. Featuring 15 overhead doors, move-in and move-out for events is a breeze in the West Pavilion. This venue also has permanent concessions, event office space, and a ticket office for show use. This venue also directly connects to the Pepsi Coliseum and the South Pavilion through enclosed walkways, enabling shows to expand in size.

The above floor plan and capacities below are general use and should not be used to plan your event layouts. Please contact your Event Manager to complete your official event diagrams
